Semi Naked/Buttercream Cake Terms

- Any flavour sponge or gluten free or eggless for each round tier on a buttercream frosted cake. For semi naked cakes, we offer gluten free or eggless tiers as a separate cake to prevent cross contamination. Dairy free or vegan options are only available as a separate cake
- Supplement applies for decoration e.g. gold leaf, drips, fresh fruit etc
- £20 set up fee applies

Fondant Iced Cake Terms

- Any flavour sponge or gluten and/or dairy free or eggless or vegan for each tier
- Prices include 4.5" deep round tiers, ganache if required and in a white or ivory fondant finish with a ribbon band or other trim around the base of each tier
- Supplement applies for all other decoration

- For both finishes, if fresh flowers are chosen we recommend getting these supplied by your florist

Alternative sizing available upon request.

A delivery charge is added onto every order, and this will be quoted for once I know the venue. If I am restricted to a delivery time frame (e.g. during the turn around), an additional charge may be added.
